... ready to speak when He says speak

Patsy Rodriguez Prophet

Patsy Rodriguez has a heart for ministering to individuals, one-on-one, speaking as the Lord gives her utterance.

Her heart for accuracy and for obedience to His direction shows a genuine concern for "getting it right" when God speaks a word for her to share.

Patsy speaks softly, with gentle words that are not to be taken lightly. Her earnest desire is to help others grow!

We've got a ... Newsletter!

Hey! Guess what? We've got a Newsletter! That's right, folks! We now are beginning to get busy with speaking engagements and ministry outreach and we felt it was time to use a common medium to keep you informed on our meetings, where we're going to be, and when you can catch us in your area!

We are putting together procedures to get our meeting schedules out on various websites. One particularly good site to check our schedules is on CFAITH Online (<http://www.cfaith.com>). If you decide to join CFAITH (and we highly recommend them - we use them!) don't forget to use our Affiliate Ministry code when you sign up. Use "T9SS-B5N5" under SPIRIT of TRUTH MINISTRIES. We also have a Yahoo Group site where we have our itinerary automatically emailed to you. We automatically do this for our partners with email addresses.

If you're at one of our meetings, grab one o' these newsletters to take home and read. We'll use these to keep you updated on our meeting schedules and when we'll be in your area! If you'd like to get these in the mail, all you have to do is sign up as one of our partners! Make sure and fill out the offering envelope with your mailing address, email address and info. When we get the envelope, we'll check to make sure we've got your latest info in our mailing list, and put you on the newsletter mail-out list! It's that simple!

Receiving Our Newsletter

If you're interested in receiving our newsletter, please fill out an offering envelope, or a partner registration form, and drop it in the offering (or mail it).

We will update your records as one of our partners and put you on the newsletter mailing list.

We usually send newsletters out on a quarterly basis, and will be considering a monthly issue in the near future.

We appreciate your giving and your support of this ministry, and gladly welcome your suggestions and comments about our publication.

We're Partners with Spirit of Truth Ministries

Patsy Rodriguez Ministries joined up as a partner in ministry with Rich and Jane Allcorn and the other affiliate ministers with Spirit of Truth Ministries (SOTMI) and we are now partners with their ministry! Together, we can get the job done in better fashion, by our teamwork!

I will continue in my ministry training and in field experience, but with our new found team we can expand our ministry! Thank you for your support, and for your prayers for this ministry!

Patsy Rodriquez has been called into the office of a prophet, into the full time ministry, and has been functioning there for more of her adult life. She has always had the voice of God speaking to her about things in her life, and she loves to share her wonderful relationship with the Father, sharing His gift, in her service as a servant of the Lord in the prophets ministry.

Patsy is an licensed minister and serves in the five-fold ministry office of a prophet through SPIRIT of TRUTH MINISTRIES, and her own home church, Word Church. She is continuing her service to the body of Christ in the prophetic ministry as she travels about, speaking what the Lord tells her to say, to exhort, to edify and to comfort - that is her calling and direction.

BIOGRAPHY and Personal History

Patsy has a heart for ministering to those who have been hurt, those who are in need, and especially those who've been shipwrecked in their walk in life, and in their faith.

Her heart of compassion shows, as she has a genuine concern and wants to make a major impact on the lives of those he ministers to.

Patsy is "soft spoken" in her words. Her instruction and her counsel is gentle and loving, that only a mother could give.
