3. by conducting meetings on campus, off-campus, at camping areas, and various field locations, that are enriched with the presence of the Holy Spirit, with wonderful praise and worship music, and preaching and teaching that teaches and raises up eager trained fruitful, successful examples of the excellence of the Kingdom of God, here in the Earth;

4. by traveling to foreign parts of our world to share the gospel of Jesus Christ, taking ministry students to train as well, in the areas of field ministry and in the various apostolic tasks of field evangelism;

5. by working together and "teaming up" with other local churches and pastors to win our city and region for the Lord Jesus Christ.

A Brief Bio

Rich Allcorn is the president and founder of SPIRIT OF TRUTH MINISTRIES, Int'l. He also heads up RICH ALLCORN MINISTRIES and is the Sr. Pastor of WORD CHURCH. In addition, he can be seen often ministering in cowboy churches, and hanging out at his favorite cowboy church in Liberty Hill, Texas, the Williamson County Cowboy Church, pastored by pro-rodeo team roper, singer, evangelist and cowboy, Corey Ross.

Rich was saved at the age of 8, spirit-baptized at 13, and surrendered to full-time ministry in 1979. Raised in West Texas as a cattle rancher, Rich is all cowboy. While in the Air Force, assigned in California, he attended his first Believer's Convention in June of 1980.

With a prophetic style and personality, Rich preaches with passion, teaching the Bible Basics, the Blood Covenant, and the theory of absolutes to name just a few of his favorite subjects. He has a true father's heart, and it shows in his pastoring, and in his ministry to those he teaches abroad. He is a father to those in the field ministry as well, lending his experiences and knowledge to help others to adopt and develop practices of excellence, with principle and integrity in ministry.

His mission is to teach Believer's to grow and become self-reliant, dependable, responsible examples of the ministry that Jesus started, by example, with signs and wonders being a regular part of the manifested gifts used to minister to and change the lives of others. Most of all, though, he wants folks to learn to spend time with their "Daddy" ... the one-on-one time that God so deeply desires for each of us, can change our entire life's outcome. "One Word from God", he preaches, "can totally and completely rock your world!"

With outdoor meetings, cowboy church meetings, bible studies ... he's a singer, and an anointed teacher of the Word of God ... put all that in a preacher and you've got yourself a meeting!

A Few Prophecies

A Word from the Lord !

Just "one word" from God can rock your whole world! It can change your life, birth strength into your body, and inject revitalized energy into an otherwise empty hopeless shell of a man (or woman)! When God speaks to His sons and daughters, "things happen"! Lives are changed, entire courses of events are re-routed, and hope ... "hope" ... is given, to a thirsty soul. Please find some of the many prophecies that I have received, listed here, for you to review. Some prophecies, I actually still have the audio for you to listen to on my website. Others, only the printed version remains ... but the "word" lives on ... in my heart and in my life!

You'll be a wealthy man ...

Financial problems, 'n' the little spikes that hurt when you want to give and hurt when you want to do the work of God, and you say, "GOD! Is there any end to this?!" Yes! Yes, there is! It's not an easy walk. The walk that God's planned for you is not an easy walk. The walk of rich men is never easy! But you'll be a wealthy man ... and there will be many that'll raise their hands and say, "If it hadn't been for this man, we never would've heard the Gospel of Jesus Christ!"
Kenneth Copeland, *prophet/evangelist/teacher* - <http://www.kcm.org>

I put a vision and a dream in your heart ...

... I've called you forth, that my word might rest in your heart, and my spirit might well up within you in abundance, and flow out to others. For I put a vision and a dream in your heart, years ago ...

It's as great as you saw it to be ... it's going to be powerful!

It's as great as you saw it to be, and it is before the people I've shown you it'd be before, and it'll be a great and mighty anointed one, so don't turn loose of it any longer ... it died, but now I'm putting My Life in it", sayest the Lord! "I'm raising it up! You grab hold of it! You embrace it! 'n you see what's gonna happen for I'm gonna do what you couldn't do, and its going to be 'powerful'!
Don Aldridge, *pastor/teacher* - <http://www.donaldridge.org>

I am going to bring you faithful people, people that you can depend on ...

The Lords says "Because I am going to bring into your life faithful people, people you can depend on, people that have ... "your" ... best interest at heart ... This next time when you go out, everything is going to fall into place ... But the Lord says, "I'm going to send you and I'm going to establish you and I'm going to bring about My plan and purpose for your life the way it was intended to be from the very beginning!
Gary Morse, *prophet* – <http://www.prophetictimes.com>

I am going to use you to inspire a generation ...

Rich, you have a unique voice and call of inspiration of changing lives, in young people! You refuse to act your age. And the Lord says, I am going to use you to inspire a generation ...

You have proven yourself faithful ...

The Lord says that, "You have 'proven yourself faithful! You have proven yourself faithful!" And the Lord says that "This may have been ignored by some! But it has not be ignored by the Lord ..."

You are called as an apostle ...

The reason you keep hitting a brick wall, the reason your efforts are being held back, is because the spiritual forces over this region do not want to see an apostle recognize his calling.
